

# I Fell In Love With You

Priscilla Renea

[Chorus:]

I fell in love with your good  
In love with your bad  
In love with your everything  
In love with you  
In love with your happy  
and with your sad  
In love with the little things  
In love with you  
In love with tomorrow because  
I know I'll wake up lying next to you  
Oh, you  
I fell in love

[Verse 1:]

I believe in you and me  
Sometimes we disagree but like my heart  
you never skip a beat  
The ying to my yang  
The Vera to my Wang  
So crazy in love like Beyonce  
Oh, oh, oh, oh, oh, oh, oh, no, no  
Perfect as a picture  
Contigo cause I'm with you for life  
It's what I promised you years ago  
Look at us now  
We're still holdin' on

[Bridge:]

Is it really real?  
Could it be?  
Am I dreamin?  
Got someone that loves me back  
Pinch me, I must be sleepin'  
You can call it love, true love  
and you're my first  
I'm here for better or worse

[Chorus:]

I fell in love with your good  
In love with your bad  
In love with your everything  
In love with you  
In love with your happy  
and with your sad  
In love with the little things  
In love with you  
In love with tomorrow because  
I know I'll wake up lying next to you  
Oh, you  
I fell in love with you  
(Fell in love, in love with you, fell in love)  
I fell in love with you  
(Fell in love, in love with you, fell in love)  
I fell in love

[Verse 2:]

Oh, baby boy, you are  
You're like a classic car  
They don't make them like you anymore  
Sometimes you be trippin'  
I love to travel  
So I pack my bags and trip with you  
What we got is so deep I could drown in the flow  
Though we ain't settled down  
Boy, with you I'm at home  
And there's no place like it  
So I won't try to fight  
No, no, no

[Bridge:]  
Is it really real?  
Could it be?  
Am I dreamin?  
Got someone that loves me back  
Pinch me, I must be sleepin'  
You can call it love, true love  
and you're my first  
I'm here for better or worse

[Chorus:]  
I fell in love with your good  
In love with your bad  
In love with your everything  
In love with you  
In love with your happy  
and with your sad  
In love with the little things  
In love with you  
In love with tomorrow because  
I know I'll wake up lying next to you  
Oh, you  
I fell in love with you  
(Fell in love, in love with you, fell in love)  
[6x]  
I fell in love [3x]
