

Would You Come

Priscilla Renea

uhuuu,
ohhhh!
i know i'm setting my ways
Afraid of trying new things
you're trying not to complain
but it's not what you think,
it's just hard to explain.
i'm scared to breathe,
for fear of losing my breath,
afraid to fall,
for fear of falling too fast!
i don't know what i'm running from,
afraid of love that i'll be all by myself!

chorus:
But what's all of nothing, but nothing at all,
if i run out of breath, would you fill up my lungs?
If all that I had ,was the time on my hands

would you come,
would you come?
you ain't do nothing at all
don't think that's all your fault!
i'm only distant because you've been giving so much,
that is hard to keep up,
it's not my friends, telling me what i should do
i talk to them, because i can't talk to you!
i don't know what i'm running from,
afraid love, that i'll be all by myself

chorus:

Bridge:
If it seems like i might
everything that you thought i'd be,
would you come?
would you wait for me love?
if it seem like it won't work out,
perfectly like you dreamt about
Would you com for my love

But what's all of nothing but nothing at all
If I.....if all that I had was the time on my hands
Would you come, would you come
chorus: (x2)
