

## Don't Let Him Know

Prism

Here we are waking up by the fire light  
Now you're worried cause it's four a.m.  
And I'm wonderin' what you're gonna say to him

And as problems go  
I'd say we got one year  
Do you want to leave  
Or do you want to get closer

Think you might have stayed  
Just a little too long oh yeah  
Oh don't let him know  
don't show him what's in your eyes  
Don't let him know

Does he know about you breaking the rules  
Does he listen to your lies  
What's gonna happen when  
You run out of alibis  
Is it easy when you're walking out  
Do you smile as you're leaving  
If I were you I'd be wondering  
When he's gonna get even

Think you might have stayed  
Just a little too long oh yeah  
Oh don't let him know  
Don't show him what's in your heart  
Don't let him know, don't let him know

Think you might have stayed  
Just a little too long oh yeah  
Oh don't let him know  
Don't show him what's in your eyes  
Don't let him know  
Don't show him what's in your heart  
Don't let him know, don't let him know
