

Open Soul Surgery

Prism

It's been a long time since I've been scramblin' down
On the wrong side of your love
And I don't care if you say I'm wasting my time
Cause you're the only one I'm thinking of

Since I spent my whole life ramblin'
Round from town to town
And I need Open Soul Surgery

When you were eighteen I took you from your mother and sister
Cause you didn't need that kind of protection
And now I hate seein' you comin on like some kinda bitch
Just cause your life ain't what you were expectin'

Since I spent my whole life ramblin'
Round from town to town
And I need Open Soul Surgery
