

Are you ready?
Are you ready to see?
Are you strong enough to bleed?

You are like a new star at the dawn
Never seen the morning dew before
When the sun rises up it lets the light in
You have to face where you have been

You called it faceless hours
But I needed more those wasted days
I never wanted all these hours
Only fools rush in I heard they say

You can run all night
Make up your mind, if you do believe in me
Are you strong enough to bleed?
Yeah, you can run all of your life
But you've got to figure out when it's time to see
Are you strong enough to bleed?

Why it's so hard to find out every story has two sides
And the wheel of life has half a mind
To turn its back with swollen eyes
You called it restless hours
But I needed more those wasted days
I never wanted all these hours
I need a minute of decay

You can run all night
Make up your mind, if you do believe in me
Are you strong enough to bleed?
Yeah, you can run all of your life
But you've got to figure out when it's time to see
Are you strong enough to bleed?

Just take your chances, go all the way!
If you can take it just call it a day
You can get what you want, be nobody's fool
You've got to be strong when you're on your own

And you try, and you try, yes, you try to go on!

You can run all night
make up your mind, if you do believe in me
Are you strong enough to bleed?
Are you ready?
Are you ready to see?
Are you strong enough to bleed?
