

## Evel Knievel Factor

Private Line

No round-trip tickets for destructive ride  
Come around I'll be your guide  
Cheap kills, It thrills, join the wild side!  
Have you got the balls to even try?

Woh, woh, woah, yeah, yeah, yeah!  
You've gotta believe in the Evel Knievel Factor  
Woh, woh, woah, yeah, yeah, yeah!  
You've gotta believe in the Evel Knievel Factor

Lame daredevils with their drama queens  
I'll take care of your daydreams  
Cheap spills, no frills, ride the blind side!  
You wanna give me an evil eye  
Have you got the balls to even try?

Woh, woh, woah, yeah, yeah, yeah!  
You've gotta believe in the Evel Knievel Factor
