Fall into the chasms Of darkness and doubt - from hence which I shout For a higher denomination is calling you out To serve with a true sense of self Our purpose conceived, destruction we'll leave For the utmost perfection in warfare is what we'll achieve Oh, we'll make you believe For those most likely to prophesies We're all four horsemen epitomized Now get on your knees and die Fucking die by the sword of my... Hate coalition Soldiers of god Army of one Blind unto the games that are constantly played With bliss on display An unsuspecting populace Is neutered and spayed Forced into submission By those who forever - think it so clever To take the possessions of all Except ours. Never! Oh, in droves you deceive So just who's side are you fucking on? Who's this host that you feed upon? Your parasitic reservoir Will run dry at the wrath of our hate coalition Soldiers of god Army of one
