

# Not Guilty

Pro

[Verse 1:]

We are all on trial, believe it or not.  
You will be judged for your sin, whether you leave it or not.  
So keep stacking that paper man, worship it not.  
See if that will be your savior when you stand before God.  
You see He's holy, can't let you slide by homey.  
Don't believe that that's true? I don't think that you really know Him.  
In the beginning God created the earth.  
Adam fell in love with sin now we dating the curse.  
What I'm sayin', is really that none of us can escape it.  
Twisted in our brains so we love it instead of hate it.  
If you're not perfect then you're part of the fall,  
Cause if you break one law, you broke them all.  
God would be justified if He poured His wrath on all men.  
Thankfully He sent his Son, we call him the God Man (Jesus)  
Took a hiatus from the throne, wrapped himself in flesh, and died to atone.

[Hook:]

That's why my faith in Christ Jesus the Son,  
Because we all free through His blood.  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me

I put my hope in Him who reign on the throne,  
He gave me grace through faith alone...  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me

[Verse 2:]

Now tell me this homey, what if I ran in your house,  
Took the pistol grip of the Glock and hit you dead in the mouth?  
See my intention is to kill you but first, gimme your jewelry.  
In case you didn't know by now, it's a robbery.  
But I had tripped an alarm that was silent so the cops came  
Disarmed me and you silently thank God, man  
Then we get to trial and you tell the judge everything  
I defiantly smile and laugh in the judge's face  
I tell him "Yes sir, I'm guilty as charged  
But I just can't help it judge, you know my heart"  
Then he say "Well, we caught you at the scene  
We'll forget about the law, we gonna let you go free"  
You would say that that judge is a fool  
But you expect God to do the same when He judge you  
The penalty in sin is death homie, minus the hearse  
There's only one way out, I'll tell you in the third verse

[Hook:]

That's why my faith in Christ Jesus the Son,  
Because we all free through His blood.  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me

I put my hope in Him who reign on the throne,  
He gave me grace through faith alone...  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me

[Verse 3:]

This is not a game  
What will make you think that it is  
That the Creator of all would just look over your sin, man  
We all deserve death, it ain't a question about it  
And see the standard is perfection, you're a goner without it  
So God became man so He could walk like you and I  
He was perfect, couldn't fail, yet the serpent would trial  
Then he outwitted the pharisees, they charged Him with blasphemy  
He was beat and humiliated for you and for me  
He was nailed to a cross but took it like a strong tower  
But the Father put His wrath on His son like a shower  
But He rose with all power, never stayed in the grave  
It was after three days, He destroyed those chains  
Now we could receive grace with just faith in the Son  
And return from our ways to signify that we're done  
With the world, we are fugitives no more  
Adopted by the Father, joint heirs to the throne

[Hook:]

That's why my faith in Christ Jesus the Son,  
Because we all free through His blood.  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me

I put my hope in Him who reign on the throne,  
He gave me grace through faith alone...  
I'm not guilty, y'all got to feel me  
I'm not guilty, y'all got to feel me
