

## My Tortured Soul

Probot

There are times when the road gets dark  
Seem to have lost my way  
Sophisticated abuse of reason  
Day after day

Oh no please come for me  
For me and my tortured soul

Haunted by ill angels only  
I'm so very pained to say  
Secrets of mind change reality  
Are the things they said today

Oh no please come for me  
For me and my tortured sou

Words could never explain  
I know it might sound strange  
But i wish it would rain
