Red War

Probot

Red war will fall on my enemies
Babylon is full of hypocricy
You feel the hate is for real
Cause red war will fall on my enemies

Red war Red war Red war

Watchyabackwatchyaback

The sign of the cross i carry into war The kyber pass where no one rests Hold my head up the judah lion Twelve tribes in the mountains of zion Babylon fall and red war will come Babylon fall

Red war

Watchyabackwatchyaback

Red war will fall on my enemies
