

I Keep Forgetting

Procol Harum

I keep forgetting you don't love me no more
I keep forgetting you don't want me no more
I keep forgetting that you told me that you
Didn't want me around anymore
But these stupid old feet
Just head for your street
Like they've done so many times before
And this stubborn old fist
At the end of my wrist
Keeps knocking on your front door
I keep forgetting you don't love me no more
I keep forgetting you don't want me no more
I keep forgetting about those heartbreaking nights
Ant those heartbreaking things that you said
Though it's plain as can be
You're finished with me
I can't believe our love is dead
Though I know in my heart
We've drifted apart
I just can't get it through my head
