

I've never seen  
Anything that's quite like you  
I've never been  
To a place that felt this cold  
Now I feed  
On the world you shoved me in

All these days  
I waited here so patiently  
What they say  
Now means nothing more to me  
And it seems  
So much easier this way

Now I start to think that nothing here is true  
As I fall away  
If I was to wait for you  
Would it mean a thing  
At times it all feels endless  
I don't have anymore fear  
Now that I'm so gone

I don't mind  
What's become  
I have given every piece of myself  
It's alright  
Almost numb  
Now there's nothing that can ever stop me

Now I start to think that nothing here is true  
As I fall away  
If I was to wait for you  
Would it mean a thing  
At times it all feels endless  
I don't have anymore fear  
Now that I'm so gone
