

Endless

Professional Murder Music

I've never seen
Anything that's quite like you
I've never been
To a place that felt this cold
Now I feed
On the world you shoved me in

All these days
I waited here so patiently
What they say
Now means nothing more to me
And it seems
So much easier this way

Now I start to think that nothing here is true
As I fall away
If I was to wait for you
Would it mean a thing
At times it all feels endless
I don't have anymore fear
Now that I'm so gone

I don't mind
What's become
I have given every piece of myself
It's alright
Almost numb
Now there's nothing that can ever stop me

Now I start to think that nothing here is true
As I fall away
If I was to wait for you
Would it mean a thing
At times it all feels endless
I don't have anymore fear
Now that I'm so gone
