

Something New

Professional Murder Music

When you look into these eyes
Do you think anything could stop me
Regrets will come from deep inside and
Push me so close to the edge

No, I won't be a part
Of that mindless shit
I'm In this for real

I see everything I want
I see everything I want

Chasing me through my dreams and it just will not end
Found a way to this day and there's no turning back
Could it be all I've seen is just a joke that they've played
So I am turning to something new

I don't think I'll ever forget
You and the things that were promised
There is so much more without those
Fears I threw away last time

No, I won't be a part
Of that mindless shit
I'm In this for real

I see everything I want
I see everything I want

Chasing me through my dreams and it just will not end
Found a way to this day and there's no turning back
Could it be all I've seen is just a joke that they've played
So I am turning to something new

No, I won't be a part
Of that mindless shit
I'm In this for real

Chasing me through my dreams and it just will not end
Found a way to this day and there's no turning back
Could it be all I've seen is just a joke that they've played
So I am turning to something new
