

# Hometown Glory

Professor Green

I've been walking in the same way as I did  
and missing out the cracks in the pavement  
And tutting my heel and strutting my feet  
"Is there anything I can do for you dear? Is there anymore I could call?  
No, and thank you, please madam, i ain't lost, just wandering"

Round my hometwon, memories are fresh  
Round my homerown, ooh, the people I've met  
Are the winders of my worlds, are the wonders of my world  
Are the winders of my worlds, are the wonders and now

I like it in the city when the air is so thick and opaque  
I love it in the city when two world collide  
You get the people and the government  
Everybody taking different sides

Showm that we ain't gonna stand shit  
Showm that we are united  
Showm that we ain't gonna takie it  
Showm that we ain't gonna stand shit  
Showm that we are united

Round my hometwon, memories are fresh  
Round my hometwon, ooh, the people I've met

are the wonders of my worls, are the wonders of my world  
Are the wonders of yhis world, are the wonders of my world  
Of my worls yeah, of my worls, of my worls, yeah.
