

## Remedy

Professor Green

I sell it by the bottle  
Oh I'll make it last all night  
Don't worry 'bout tomorrow  
I got the remedy  
Oh, we let it go  
So won't you come sit next to me I got the remedy oh, you never  
know  
oh I could give you what you need  
I got the remedy

My life's enough for anyone to get gassed  
I could hit a bungalow  
8 in a bin bag and still get a quick lash table looking like No  
vember the 5th  
I won't remember anything memories are myths I'm a piss artist.  
It's an art to me last seen partying with Charlie Sheen true it  
s half ten.  
And I'm looking in the mirror at me so how come I can see two a  
nd a half men?

I sell it by the bottle  
Oh I'll make it last all night  
Don't worry 'bout tomorrow  
I got the remedy  
Oh, we let it go  
So won't you come sit next to me I got the remedy oh, you never  
know  
oh i could give you what you need  
I got the remedy

She got me in her eyes no c.s. I'm in a vibe on a hype I could  
go all night no re-est flow b-est no t-est  
got chicks brain training no d.s. Jolly cause I bring my buds b  
etween my thigh and my ball's a bag a my monk man am I drunk?  
and high won't somebody body send Kate Nash my love? In a state  
of confusion soberness is a problem I solve by way of solution  
I'm gonna start a revolution with my recipe put it in a bottle  
call it the remedy anybody every say they'll better me in rap?  
You know I got the remedy for that are you mad?  
You need medicine, therapy in fact and you know I got the remede  
y for that are you mad blood?

I sell it by the bottle  
Oh I'll make it last all night  
Don't worry 'bout tomorrow  
I got the remedy  
Oh, we let it go  
So won't you come sit next to me I got the remedy oh, you never

know  
oh I could give you what you need  
I got the remedy

Oh we let it go  
so won't you come sit next to me I got the remedy oh. you never  
know oh I could give you what you need I got the remedy
