I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never know
oh I could give you what you need
I got the remedy

My life's enough for anyone to get gassed I could hit a bungalow

8 in a bin bag and still get a quick lash table looking like No vember the 5th

I won't remember anything memories are myths I'm a piss artist. It's an art to me last seen partying with Charlie Sheen true it s half ten.

And I'm looking in the mirror at me so how come I can see two a nd a half men?

I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never know
oh i could give you what you need
I got the remedy

She got me in her eyes no c.s. I'm in a vibe on a hype I could go all night no re-est flow b-est no t-est got chicks brain training no d.s. Jolly cause I bring my buds b etween my thigh and my ball's a bag a my monk man am I drunk? and high won't somebody body send Kate Nash my love? In a state of confusion soberness is a problem I solve by way of solution I'm gonna start a revolution with my recipe put it in a bottle call it the remedy anybody every say they'll better me in rap? You know I got the remedy for that are you mad? You need medicine, therapy in fact and you know I got the remed y for that are you mad blood?

I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh, you never

know
oh I could give you what you need
I got the remedy

Oh we let it go so won't you come sit next to me I got the remedy oh. you never know oh I could give you what you need I got the remedy
