

Lucretia My Reflection

Project 86

I hear the roar of a big machine
Two worlds and in between
Hot metal and methedrine
I hear empire down
Empire down

I hear the sons of the city and the dispossessed
Get down, get undressed
Get pretty but you and me,
We got the kingdom, we got the key
We got the empire, now as then
We don't doubt, we don't take direction
Lucretia, my reflection, dance the ghost with me...

I hear the roar of a big machine
Two worlds and in between
Love lost, fire at will
Dum-dum bullets and shoot to kill, I hear
Dive, bombers, and
Empire down
I hear empire down

I hear the sons of the city and the dispossessed
Get down, get undressed
Get pretty but you and me,
We got the kingdom, we got the key
We got the empire, now as then
We don't doubt, we don't take direction
Lucretia, my reflection, dance the ghost with me...

We look hard
We look through
We look hard to see for real
Such things I hear, they don't make sense
I don't see much evidence
I don't feel
I don't feel
I don't feel
I don't feel
I don't feel
