

# Don't Save Her

Project Pat

Welcome to the  
Hypnotize zone  
Today you'll hear the story  
Of Russell Resthaven  
And the day he tried  
To save his girlfriend  
Here's the story  
Man you won't believe  
What done happened  
To me now man

What?

How did this nigga  
Come round my way  
Then f\*\*\* my b\*\*\*\*  
But I'm gone kill him  
When he get off  
Work tonight though

Man f\*\*\* dat h\*e man  
You can't be tryin'  
To save that b\*\*\*\*  
Man my nigga den  
Housed a h\*e to  
Brown Freesia

Man I spent cheese  
On her and everything  
And I bought rangs  
And mo sh\*t man  
I'mma kill that nigga  
Dat I'm goin' marry

You can't turn a h\*e  
Into a house wife man

I love her man  
I love her man  
It's mine man  
I love her man  
I gotta marry her man  
I'mma marry her

Don't save her  
She don't wanna be saved  
(Ain't nothin' going on  
But the money and power)  
Don't save her  
She don't wanna be saved  
(Got one in the chamber  
For you weak as\* coward)  
Don't save her  
She don't wanna be saved

I'mma introduce me  
Project Pat I keep it real

I'mma introduce you  
You's a sucka faking deals  
If you gonna let these  
Freaky h\*es run yo life  
I don't understand how  
You turn a freak into a wife  
I don't need to get why  
You be eating out her draws  
You done bought the b\*\*\*\* a phone  
Now you screamin' in all the calls  
It's about O-A.M.  
She ain't nowhere to be found  
Somewhere wit' her friend d\*ck  
In face and turned to ground  
But you best save it last and  
You know that she'll go  
Suckin' d\*ck, chewin' cad  
And I hear she on that blow  
Did a line maybe two now  
She down to do the dew  
Took her to the studio so  
She down to do the crew  
I know just what to do  
You can ask the h\*e to leave  
Once the b\*\*\*\* pack her sh\*t  
Hurry up and run them streets  
Two things I ain't never in  
My life done seen before  
It's a U.F.O or a h\*e  
That wouldn't go

Jackie's simple  
Jackie's quicker  
Jackie likes to suck a d\*ck-a  
All she wanna do smoke  
A blunt get a drink of liqour  
Lip-ah to the balls booty  
Even enough to smell dodie  
You be tryna save a sweater  
But you need the f\*\*\*in' letter  
Be the b\*\*\*\* she really is-a  
Suck my d\*ck you goin' kiss her  
Hating h\*es try to dis her  
Every nigga wanna hit her  
Get her in the bed lay her  
Down boots wanna fell  
Call her up there nig man  
There's a way-a  
She the star of the foota  
Pussy wet real gooda  
Camcorder caught on tape  
Did I stutter man I should of  
F\*\*\*ed her in her mouth fast  
She be taking all cash  
Keep my tank from Florida  
She pay for my gas  
Ass for my nigga drop-a  
Somewhere tryna watch her  
Pregnant by another man  
But you wanna be the papa  
Nut, come, but she crave-a  
Backseat misbehava  
You'll never get the b\*\*\*\*

'Cause she wit' that West Haven

Ain't nothin' goin' on  
But the money and power  
Got one in the chamber  
For you weak as\* cowards  
And I'm tired of you niggas  
Goin' saving dese b\*\*\*\*es  
Stop saving these h\*es  
Let another nigga get deep  
Down in them draws  
Take her over to my dogs  
So we can do her y'all  
Everybody can do it  
Let's just have a ball  
Ain't nothin' goin' on  
But the money and power  
Too many niggas  
Out here cowards  
They be saving dem h\*es  
They be paying them h\*es  
But a nigga like me can not go  
I'm be kickin' in doos  
I be f\*\*\*in' dese h\*es  
I be slammin' 'em  
Down like Dominoes  
B\*\*\*\* you didn't  
Know it's CB bro  
In and out dese  
H\*es does like pole
