

Interlude 3

Project Pat

You know a nig can do what they wanna do out here mane
But right now I advise nigga man
Stay off that Youtube, them choppas and them drugs my nigga
Unless it's some video or something, you know what I'm sayin?
So you can tell them folks you was usin props
Cause man you're my dog
Cause all these feds need is one scene with you with the eviden
ce in yo hand
It's enough rats out here putting good niggas away doin the pol
ice job
You do not need to aid and assist
Listen to me man
Do not aid and assist the police
So you can catch your case my nigga
Don't do that, don't do that
Don't aid and assist the police man
It will get you locked up my nigga
