I said what's her nationality, he said "A green thang" (Cough-cough-cough)
She the type of girl that'll have a nigga geeked, mayn
Spend up all ya money like a junky on the creep, mayn
And she got some friends that will keep ya high as me, mayn
Dancing in the sky with the birds and the trees, mayn
I get high like Amy Winehouse
I'll put pills in anyone's mouth
Smoke up all the weed, fall asleep on the couch

We some rich niggas, pass the Gray Poupon
Nah dog, more like pass the purple blunt
Smells the funk or the pound that's in the car
If the police flag me, I ain't gon' stop
Digital scales for sales, paraphernalia
Either in jail or get bail; that's what they tell ya
I grew up 'round hoodlums, killers, and thieves
Unknown Vice Lords, niggas claiming G.D.
One-eighty Vans, shows we hustling (getting money)
Blowing purp, Cali high, no struggling
Penitentiary; the chances that I take
It's elementary; I got to gets the cake
