Pop the mollies in them drinks
Pop the mollies in them drinks
Pop the mollies in them drinks, we bout to get fucked up

I just popped my third cancer and I booked my forth blunt
Another fill of Siroc, ratchet hoes what we want
Throw some moly in the drank, watch it fizz to the top
Freaky red in my passenger, she suckin non-stop
Drop the mollies in them drank, we bout to get fucked up
Quarter pound of that strong, we gon keep rollin up
Trippy Cali swag, got them cookies baked up
I ain't thinkin bout no sleep, mollies make you wake up
She's so hot, she's so wet, mind soarin like a jet
I must get cause she take, let me love that I'm face
We ain't tryna come down, pop another get right
Getting rockstar high, we gon party all night

Pop the mollies in them drinks and watch em fizz on up
Pop the mollies in them drinks, we bout to get fucked up
Pop the mollies in them drinks and watch em fizz on up
Pop the mollies in them drinks, we bout to get fucked up
Pop the mollies in them drinks
Pop the mollies in them drinks
Pop the mollies in them drinks
Pop the mollies in them drinks, we bout to get fucked up

It's gon be a long night, hit er with some long pipe
She don't want no one for house, I fell molly all night
In the club poppin bollies, Rose mix with some mollies
Got a K Michelle ass and a face like Holly
They ain't lookin for the soap, they just lookin for the moly
Say she lookin for the strong but she really want the moly
Pop the mollies in her drink now this feel real holly
We go hard with the drugs, rest in peace Chris Farley
Pop the moly and her friend, drink now both bitches horny
Let em eat each other out, I'm just high off this money
Mollies fizzing in them drinks, watch em snort that Mitt Romney
Pop them mollies in the drinks, leavin they nose lil runny

Pop the mollies in them drinks and watch em fizz on up
Pop the mollies in them drinks, we bout to get fucked up
Pop the mollies in them drinks and watch em fizz on up
Pop the mollies in them drinks, we bout to get fucked up
