

Sucks On Dick

Project Pat

Sucks on dick...

Does it real good (Get buck motherfucker, get buck)

You got these million dollar niggas

Ghetto stars, killas

Stabbin on you bitches like a jacker pullin triggas

Playas ridin twenty's, checkin tramps for money

Smellin like da chronic, ballin, doin bout a hundred

I'm callin up your wife, she wants to spin the night

She say her man aint doin right and wanna suck my pipe

Rainbow Inn, 20 after 10

Me and my niggas chillin waitin on this bitch

Heard a knock at the do'

Come on in ho

I know you wit that train shit, the bitch said for sho'

Pat was hittin from the back like a can of mace

I was in the front, dick hangin in her face

I made another call, my dawgs from the town

Smokey city niggas, Speed and Henry Watson Brown

I said I got a freak that wanna do you all

She's cathin niggas nuts while she's lickin in your balls

She's a ho

Now I'm on South Parkway, make a left on third

Hit that herb

Freaky wet ho, on that thunderbird, eyes red

While she givin hed, lookin for a bed

So...I can lay that body down

Then I dick her down

Where I'm found, South Memphis

Found a home, decent home, pissy home

Where killas roam and the real niggas hold they own

I push it on, thump the roach out the window

These freaky hoes suckin dick for some indo

I been through round the way so I know the game

You find Kappa slap a bitch to keep my dick drained

A pimp man get the money fo' he get the pleasure

An ex-con, I'ma get the charm and the treasure

A deadly measure what she take if she fuck wit me

I prob get booked without for rape cause she fuckin me

I run a bitch's game just like a ho go

Ya'll got a sugar daddy so I got an old ho

She's a ho
