Song Of The Winds

Project Pitchfork

Destruction in the north Exploitation in the south Chaos in the east Greed in the west

Where should we let our children dance Let them play let them fool around Let them explore their borders Let them free My love ones fly now

Be a thunderstorm in the north Be a hurricane in the south Be a typhoon in the east Be a tornado in the west

Born out of my breath Grown up to a gust You've seen the world You've seen the seas You've built up waves You've roamed the woods You've played with leaves

Where should we let our children dance Let them play let them fool around Summon your strength And now fulfill your task My little cherubim

Be a thunderstorm in the north Be a hurricane in the south Be a typhoon in the east Be a tornado in the west

My little cherubim
