

## All Knowing Force

Prong

Nothing fucking worked no matter how hard I tried  
Wanted all to be perfect, wanted it to be right

All knowing force  
What is this worth?  
All knowing  
Forced to believe in  
All knowing force  
A time for growth  
All knowing  
Forced to believe in

I relinquish it all tapping into the signs  
Now I've been let down disappointment at a height  
Absorb the energy taking in the vibe  
Doesn't need to be perfect  
Expect to be right

Nothing fucking worked how hard I tried  
Wanted it to be perfect  
Expect to be right
