The Ways Of Your Way

I'm Lost In Disbelief
How Can You Breathe Freely

And Look At What You See

The Space That You Tread

What You Do Perceive

Your Objects Of Desire
I Know They're Not For Me

Not Forgetting All The Crimes

All I Can Now Cry Neither Nor The Lesson Your World's Not Mine Your World's Not Mine

I See What I Touch

Burn In My Own Dreams

No Feeling For Your Life Your World Can't Be Seen
