

## Entrance of the Eclipse

Prong

Entering as an eclipse  
A fiery orb with wings  
Sent into beast body  
To conquer ungodly grips  
Transform into a pyramid  
A triangel of holy devour  
To become diamond, powerful jewel  
Shining brighter and brighter

To give eye  
To be wise  
To give grace  
A new space  
Lift Uplifter lift  
Extract into the Abyss  
Sift great sifter sift  
Entrance of the Eclipse

Just a sojourner  
With no luggage to heed  
A furuios passseryby  
With rod and ox to steer  
Overcoming earth's cursed throne  
Next plane to provoke  
The camelback patriarch  
Seven miles to go...

Lift uplifter lift  
Extract into the abyss  
Sift great sifter sift  
Entrance of the eclipse

Its getting brighter and brighter  
Its getting dire and dire
