

Entrance of the Eclipse

Prong

Entering as an eclipse
A fiery orb with wings
Sent into beast body
To conquer ungodly grips
Transform into a pyramid
A triangel of holy devour
To become diamond, powerful jewel
Shining brighter and brighter

To give eye
To be wise
To give grace
A new space
Lift Uplifter lift
Extract into the Abyss
Sift great sifter sift
Entrance of the Eclipse

Just a sojourner
With no luggage to heed
A furuios passserby
With rod and ox to steer
Overcoming earth's cursed throne
Next plane to provoke
The camelback patriarch
Seven miles to go...

Lift uplifter lift
Extract into the abyss
Sift great sifter sift
Entrance of the eclipse

Its getting brighter and brighter
Its getting dire and dire
