

In Spite of Hindrances

Prong

In spite of hindrances, unaffected by a fall.
Amidst defeat you still can soar.
In light of instances, no reason to withdraw.

There is a power you can't ignore.

Light from the dark.
Walk right through the door.
Walk right through the door with dignity.
Right from the start, reach into the dark.
Transform a dream to reality.
Reach out.

With your initiative, impossible to stall.
Enlist, redeem, settle the score.
It's now imperative for funds to now mature.
There's more improvements to install.

Light from the dark.
Walk right through the door.
Walk right through the door with dignity.
Right from the start, reach into the dark.
Transforming a dream to reality.

Reach out.
Reach out.
Reach out ... Into the dark.

Guitar Solo

Walk right through the door with dignity.
Right from the start, reach into the dark.
Transforming a dream to reality.
Right from the start, reach into the dark.
Transforming a dream to reality.
Reach out.
Reach out.
Reach out ... Reach into the dark.
