Playing with my coins
I'm gonna be the changemaker
with a single iron bar
You tend to set your limitations

Moving on the next sale

Going for the moment BReaking out of boredom Climbing from the bottom Coming from the cauldron

Inner truth
To the surface

With the path of the snake
I'm gonna be youru changemaker
Crawling on the floor
You tend to set your limitations

Moving on to the next scale

Seizing of the moment Breaking out of boredom Climbing from the bottom Coming from the cauldron

Inner Truth
To the surface

Going for the moment
Breaking out of Boredom
Climbing from the bottom
BReaking out of boredom
Climbing from the bottom
Coming from the cauldron

Inner truth
To the surface
