

Life that was not life that meant not life that was not meant to be

Life that was not life that meant not life that was not meant to be

Life that was not life that meant not life that was not meant to be

Hangman twenty three you got the magic twenty three

King man seventeen you got the secret seventeen

Hangman twenty three departure with the number twenty three

Coat of scarlet guard of angels armed with silence to be regal

What's become the common type to be above

What's become the current shape a life that was not meant to be

That's denied of highs a quantity of lows

A life that was not meant to be abundance of nice without any foes

Mind of violet show the armor holy numbers to be regal

Hangedman on his knees you got the magice twenty three

King man seventeen entrance with the number seventeen

To be above what's become the common type

To be above what's become the current shape

A life that was not meant to be that's denied of highs a quantity of lows

A life that was not meant to be abundance of nice without any foes aah

Life that was not life that meant not life that was not meant to be

Life that was not life that meant not life that was not meant to be

Life that was not life that meant not life that was not meant to be
