

# Watching

Prong

Educated men  
discussing  
Demonstrating  
Wargames  
Ships and missiles  
Wargame strategies  
Sit back, relax

News man reporting  
Violence and brutality

Reporter reporting  
The grand finale

I don't know why it is  
Must be a disease  
Just go to work  
Put your mind at ease  
Come home and watch TV  
Just watch

We're just watching  
We're just watching  
We're just watching

Ain't it a shame

Wish I could say

I'm not to blame  
I'm not to blame  
I'm not to blame  
I'm not to blame  
Not to blame  
Not to blame
