

## Your Fear

Prong

His holy misunderstood  
Misdirected, misconstrued  
This holy roll of the dice  
Take your chances  
hold on tight  
Silence the silent  
Confuse the confused  
Confusion runs rampant  
On a ship of fools  
The clock is ticking  
This sacred joke  
Left without a reason  
Till reason takes hold  
Surrender your tear  
Crawl into the flame  
His holy unconsciousness  
Endless discussion  
Of our uselessness  
Alive and kicking  
This sacred joke  
Left without a reason  
Till reason takes hold  
Surrender your tear  
Crawl into the flame
