Duel

Propaganda

Eye to eye stand winners and losers Hurt by envy, cut by greed Face to face with their own disillusion The scars of old romances still on their cheeks And when blow by blow the passion dies sweet little death Just have been lies the memories of gone by time Would still recall the lie

The first cut won't hurt at all The second only makes you wonder The third will have you on your knees You start bleeding i start screaming

It's too late the decision is made by fate Time to prove what forever should last Whose feelings are so true as to stand the test Whose demands are so strong as to parry all attempts And when blow by blow the passion dies sweet little death Just have been lies the memories of gone by time Would still recall the lie

The first cut won't hurt at all The second only makes you wonder The third will have you on your knees You start bleeding i start screaming

The first cut won't hurt at all The second only makes you wonder The third will have you on your knees You start bleeding i start screaming The first cut won't hurt at all The second only makes you wonder The third will have you on your knees You start bleeding i start screaming The first cut won't hurt at all The second only makes you wonder The third will leave you on your knees You start bleeding i start screaming
