

Hidden Curriculum

Propagandhi

"knowledge dispels fear!" yeah, I hear you loud and clear, just take note of where it's from. a reliable source? or educated by force in this hidden curriculum? obey all day and back from lunch by one. you can't reverse the damage done. Your knowledge is a bullet in their gun. they've taught you well, destroyed every last brain cell with their methods, 10 on 1. little man, here's your number, here's your plan to serve the hidden curriculum, I'm dumb.
