

Ladies Nite In Loserville

Propagandhi

Drains her fifth and spits out a greek translation*. She slurs "how much more bullshit you got left? 'cause you been feeding me this crap about efree speech' and ethought-police' like I'm supposed to sit and swoon". It takes three more rounds till the subject changes and in that time she lays it down: "Fuck Larry Flynt and any campaign to silence women standing up and fighting back. And I fuck to cum, so don't lay your erepressed' shit on me. I fuck to cum. Fuck your blessed Trinity. I'm so sick of needle-dicks and (selective) first-amendments. I can out-think, out-drink, out-fuck-you-all so fuck your bullshit efemi-nazi' crap, no needle-dick's gonna silence me. I fuck to cum."
