Will have to face the almighty
So take away my coat and my cloak

Lord I pray, please never let me lose my way
In anything i do or say
Keep Jah in My Heart, Father shall carry i cross

How do i say it in a manner that
Don't seem hype if i say we bring the banner back
Red gold green not a fad, badge of honour that
Defender of the faith fi a fact we deh ya pon attack
Today tomorrow man a warrior nuh follow that
Try put a stop to that but a just a comma dat
Matter fact a so the sentence goes
I never try get revenge from these senseless foes

Lord I pray, please never let me lose my way
In anything i do or say

Develop fear in them heart and them start set fi him
