

Goodbye Horses

Psyche

You told me, I see you rise but it always falls
I see you come, I see you go
He said, "All things pass into the night"

And I said, "Oh no sir, I must say you're wrong
I must disagree, oh no sir, I must say you're wrong
Won't you listen to me?"

You told me, I've seen it all before
I've been there, I've seen my hopes and dreams
Are lying on the ground

I've seen the sky just begin to fall
He said, "All things pass into the night"

And I said, "Oh no sir, I must say you're wrong
I must disagree, oh no sir, I must say you're wrong
Won't you listen to me?"

Goodbye horses, I'm flying over you
Goodbye horses, I'm flying over you
Goodbye horses, I'm flying over you
Goodbye horses, I'm flying, flying, flying over you
