

Message From Thee Temple Ov Psychic Youth

Psychic TV

Thee Temple strives to end personal laziness and to engender discipline. To focus thee Will on one's true desires. In thee belief, gathered from experience, that this maximizes and makes happen all those things that one wants in every area of L-if-E.

Explore daily your deepest desires, fantasies and motives, gradually focusing on what you would LIKE to have happen in a "perfect world", a "perfect situation", taking away ALL restrictions and "practical" considerations. What you would REALLY want.

Then decide to try and do it.
Thee mere visualization of that true goal, your true Will, begins thee PROCESS that makes it happen.

Clean out thee trappings and debris ov compromise, ov what you've been told is reasonable for a person in YOUR circumstances. Be clear in admitting your REAL desires. Discard all irrelevancies. Ask yourself, who you WANT as friends, if you need or WANT to work, what you want to eat, what sexuality you REALLY need to pursue. Check and re-check everything deeper and deeper, more and more precisely to get closer and closer to, and ultimately, integrate with, your real SELF. Your INDIVIDUAL. Once you are truly focused upon your SELF internally, thee external aspects ov your L-if-E will fall into place.

THEY HAVE TO.

Skeptics will say that they simply don't believe this Psychic PROCESS works. But it does.

IT IS THEE KEY TO THEE TEMPLE!
