

Ov power, Ov power.
Ov power, Ov power.
Dog power. Dog power.
Be relased.
Seeds released.
The secret in a cell.
The freedom of its spell.
Dog trainer.
Ov rainer.
Can you see the dog?
Can you feed the fog?
My son the dog.
My sun the dog.
Waiting to turn the pattern.
Ov power, Ov power.
In a cell,
cast your spell
Stops and turns.
Red rope burns.
No-one hears,
is no fear.
Let him in.
they both begin.
They cast their charms,
a call to arms.
Ov power. Ov power.

That very special power,
that extra-special power,
the almighty power!
The dog power.
The ov power.
My son the dog.
My sun the dog.
Ov power. Ov power.
Ov power. Ov power.
