

# Everyday

Psychopathic Rydas

"Yea...everyday...everyday..psychopathic everyday...eh yo Twin Gats where yo u at boy?" "I'm Psychopathic Rydin'" "yea, alright now let's let a...Cell Block...c'mon"

We ridin' on suckas like everyday  
We blowin' bitches back out in every way  
We dumpin' on fools who be actin' hard  
Ya whole damn family'll get blown gone  
'Cuz you aint worth shit ya know, to me  
To me and the Rydas, so bring your family tree  
'Cuz everyday is somethin' new  
Now hollar at Bullet yo, whoo whoo!  
Everyday except on Tuesday  
'Cuz that be the Rydas official, kill all fools day  
And hey it's like nobody cares, that's when I put ghetto vet's in wheelchairs  
And then push'em down a staircase  
Brrrrrrrr! just fo' the look on they face  
A mental case a little sick in the brain  
All the same, it's an everyday thang

Black trucks bumpin' is "everyday"  
Tryin' to bank skrilla is "everyday"  
Runnin' wit' a hatchet is "everyday"  
"Psychopathic everyday" (2x)

I'm not the one to be fucked wit  
Fuck a bitchass trick  
Eat a dick and die  
I know these other tricks that ride  
Help me when i'm horny  
Even hold my gun fo' me, she ado' me  
"Diss everyday bitch after bitch, city after city  
And I still treat'em shitty  
Tell it to ya face yo, no lie  
Everyday I live my life like the world 'bout to die  
Some ol' everyday shit, some shit that happen everyday  
Around Full Clip way, around the Ryda way, hey  
Escalades, Navi's, and Benzos  
Sippin' Hendal's, pistol whippin' hound dogs  
Turn the corner, scoop up the Rydas  
Cell Block and Foe Foe tred behind up  
We doin' everyday shit, the same shit again  
Gettin' paid,oh, and gettin' skins

Everyday I slap a bitch in her lips  
Kick her in the ass, twist her nipples  
Then I grab her by the hips and f\*\*k her in the butt  
Uhg uhg...what?  
I gives a f\*\*k, i'd f\*\*k her wit' a used rubber after my homeboy's done wit' it  
Forget it  
I addmit it, I wouldn't do that  
'Cuz my dick wouldn't fit in a rubber, it's to fat  
Everyday smokin' green leaf, everyday gat chokin  
Everyday no jokin, f\*\*k prayin' an hopin  
A born loser,the drug abuser

Mad as f\*\*k in the Land Cruiser  
Fuck the dues to be paid, there's crew to be spray'd  
If I don't pack my heat, it's a knife to your face  
This everyday, all day, I aint for small pay  
I'm high as f\*\*k, thugged out always(give it to me)

"That's right y'all, Psychopathic Rydas..Cell Block, Twin Gats, Bullet, Full  
Clip(ayy!)and the homebound rydas (ayy yaa)Foe Foe and Lil' Shank, and the  
rest of the Ryda dawgs...hoods and black trucks mother fucks...forever and a  
day....forever and a day...forever and a day...yea, yea..we Rydas! Rydin' o  
n yo streets...jackin' yo beats, lickin' yo bitches feets"
