Blown Away

Psychopunch

In the early morning sun I tried to get some sleep Still looking for the answers - I got stuck in Something deep That wasn't my intention - I had something else in mind I got struck by lightning - was it true or was I blind Alright alright Irll be ok Don't really know what else I could say Irll give you full attention - that was something that She said I don't believe in nothing - still it's messing up my Head When dreams collide inside my mind - I don't know what To do I knew it must been something after all that we been Through Alright alright Irll be ok Donrt really know what else I could say Blown away - got blown away Nothing left to say Blown away - got blown away I ainrt got much to say - got blown away The radio kept playing - know I heard that song before They sang "Don't leave me stranded" and I knew I wanted More Suddenly it hit me - I had been there once before I came into my senses and I stumbled out the door Alright alright Irll be ok Donrt really know what else I could say Blown away - got blown away Nothing left to say Blown away - got blown away I ainft got much to say - got blown away
