## **Jingle Bell Metal**

## **Psychostick**

Joy to the world while you're decking all the halls Ya better watch out or we'll kick you in the balls Here we come a-wassailing Feliz Navidad Grandma got run over by a reindeer fa-la-la

Crush your balls with a sleigh Jingle bells in your face

## [Chorus]

Jingle bell jingle bell jingle bell metal Fucking shit up with a double bass pedal Ring-a-ling hear them ring, jolly and brutal Escape from this very merry medley is futile

Dashing through the snow in a wintry wonderland
The little drummer boy never really had a band
Come all ye faithful in a manger heard on high
Do you hear what i hear, silver bells, rum-pum-pum

[Chorus]
