

# Revenge of the Vengeance

Psychostick

In a world where danger's everywhere.  
Where the only currency is fear  
Only one band can save us  
Psychostick  
(you're a band!)  
But now...  
(No! Alex! Avenge me!)  
They took their drummer  
(No one kills my drummer but me!)  
They took their revenge  
(They're getting away with our revenge!)  
But they forgot about...  
Their vengeance!  
Coming in about eight seconds  
Psychostick is...  
Revenge of the Vengeance.
