

# Resurrekt

Psyclon Nine

nightmare bleeds from my soul dripping down into my eyes  
embrace the tainted offering body surging with impurity  
kiss the burning hatred ground into my being  
without remorse without cause it resurrekts

inject me  
infest me  
pray to me  
(5x)

inject me  
infest me  
pray to me  
pray to my disease  
(2x)

visions of torment  
escape is suicide  
relive this misery  
resurrekt the filth inside  
(2x)

inject me  
infest me  
pray to me  
(4x)

nightmare bleeds from my soul dripping down into my eyes  
embrace the tainted offering  
body surging with impurity  
kiss the burning hatred ground into my being  
without remorse without cause it resurrekts

injekt me  
infest me  
pray to me  
pray to my disease  
(2x)
