

# Eve of Destruction

Public Enemy

The eastern world, it is explodin'  
Violence flarin' and bullets loadin'  
You're old enough to kill, but not for votin'  
And that Jordan River has bodies floatin'

But you tell me  
Over and over and over again, my friend  
You don't believe  
We're on the eve of destruction

Don't you understand what I'm tryin' to say  
Can't you feel the fears that I'm feelin' today?  
If the button is pushed there's no runnin' away  
There'll be no one to save with the world in a grave  
Take a look around ya boy, it's bound to scare ya boy

But you tell me  
Over and over and over again, my friend  
You don't believe  
We're on the eve of destruction

My blood's so mad, it feels like coagulatin'  
I'm sitting here just contemplatin'  
You can't twist the truth, it knows no regulation  
And a handful of senators can't pass legislation  
And marches alone can't bring integration  
When human respect is disintegratin'  
Now this whole crazy world is just too frustratin'

But you tell me  
Over and over and over again, my friend  
You don't believe  
We're on the eve of destruction

People I hate, that's understood  
It will make stuff hard to under  
Was feeling blooded to human race  
If you win your war it's the same old place

The poundin' drums, the pride and disgrace  
You can bury your dead, but don't leave a trace  
Hate your next-door neighbor, but don't forget to say grace

But tell me  
Over and over and over again, my friend  
You don't believe  
We're on the eve of

But tell me  
Over and over and over again, my friend  
You don't believe  
We're on the eve of destruction

You don't believe  
We're on the eve of destruction  
You don't believe  
We're on the eve of destruction

Yeah, you don't believe  
We're on the eve of destruction
