

# Hitler Day

Public Enemy

500 years ago one man claimed  
To have discovered a new world  
Five centuries later we the people  
Are forced to celebrate a black holocaust

How can you call a takeover  
A discovery

Mass murderer  
This side of the planet  
Most people take it for granted  
502 and still doin  
Give a reason I'm hatin  
October celebratin  
The dead

Of the black the brown and red  
Sick an tired  
Of bein sick n tired  
Don't jump to conclusions  
Before I clear the confusion  
Ashes to ashes, dust to dust  
I'm talkin bout Columbus

Hit me one

I don't hate nobody  
I hate that day  
Its as crazy as Hitler day

Hangin heads and snappin necks  
Splittin up kin  
Makin familys wrecked  
Turned this planet to a sewer  
Provin to all just a lil grab  
Will do ya  
Or do us  
So my disgust  
Got credit from the ones that  
Read it  
Ain't blind to the fact  
Of a whack headline  
And if you didn't I pay  
No mind

That's how I feel  
That's how I feel  
This iz madd real

But these days  
Is crazy as Hitler day

I don't hate nobody

It's impossible to discover a land  
When people are already living there

Some thanks for the givin  
When times are hard  
& some got the nerve to pray to God  
Ain't about turkey  
& cider that gets me sick  
It's that take from the indian trick  
Lookin pretty grim  
When they takin da pill  
From the sucker seekin somethin to kill  
Now he got a day to celebrate  
Ain't that a trip  
Cause the indians ain't got shit

May 31st when it comin it hurts  
Remember the dead and it makes me curse  
When they don't include 100 million  
Of us black folks  
That died in the bottom of boats  
I can carry on bout the killin till  
Dusk & dawn  
And war ain't the reason they gone  
Fourth of July a fuckin lie  
When did we ever  
Get a piece of the pie  
Gotta whole day comin  
Without no pay  
Cause a fuckin job  
Cant gimme no play  
Even had enuff I huff & puff  
At brothers sellin the stuff  
Takin in washingtons  
Lincolns  
Not they birthdays  
Payback for em makin us slaves
