

# Public Enemy Service Announcement #1

Public Enemy

Check this out  
This is Chuck D of Public Enemy

And this is Flavor Flav, boy

Yeah  
And if you want to fight the power  
You have to be the power  
Strengthen the mind  
And bury the weapons that you need to win  
Stay in school and stay away from drugs

That's right  
If you don't wanna be a goner  
Stay away from the drugs on the corner

Public Enemy salutes the youth of today  
You are the power of tomorrow, boy
