Yes, live, real rap's back again  
You in tune to the real, Hard Truth Soldier radio  
The \_Sonic Jihad\_ continues  
Where you either with us, or you against us  
Dogs of the world unite  
It's Public Enemy

GOD DAMN I state with my fist uplifted  
In a state where our freedom is severely twisted and  
abused, I'm used to rhythm of rebel  
I've been fightin this shit with the volume level up to  
ten and spendin my time on the rhyme battlefield  
Watchin as my brothers are killed with no justice  
or peace, in the middle of hell  
And I was out on the Isle when the two Towers fell  
So now you're gonna tell that the war is won  
and what's done is done, an all-good \_Son of a Bush\_  
I've been there before, "got a letter from government"  
Slid underneath, my front door  
The poor get fucked while the rich is still amused  
And what's left of the Bill of Rights is pimped and abused  
While the patriots actin like kings  
But the black is back, I'm all in with the noise I bring!

Up against the machine the \_Bush Killer\_ remain  
In between the government and the public that's trained  
Where white companies profit off black death  
And house nigga rap thugs sell murder to kids  
Where the media maintains all thought control  
And fake news propaganda serve to rot the soul  
We all unified to fight, keep the message and awake black  
Open up your eyes, see the enemy and shake that  
Bullshit lyin, free your mind, we combine  
To combat the perpetrator of the crime design  
With fake patri-ots and religion the same
