Here I am  
Superman again  
Cause you know damn well ill never be a manniquin  
Here I go  
On upload  
Stand up and watch this game unfold  
3 minutes to download  
Revolverlution  
Make your brains explode  
With understanding, knowledge , wisdom  
Love, elevation and activism  
Lets call it raptivism  
Since a lotta mcees be stuck on isms  
As in sexism  
Self hate racism  
Why many cats end up stuck in prison  
New slavery  
Is what you see  
Is what you be  
Mentality  
Beyond realitys'  
A fantasy  
But the fantasy is killin me  
I don't give a damn if you bounce to this  
I don't give a damn if you shake to this  
But I give a damn that you overstand  
Revolverlution  
The rapsuperman

The vinyl frontier  
And I'm outta here  
Have no fear some of these rhymes wear a cape  
But the record don't fit on a stack of bush shit  
Sick and tired of bein sick and tired  
If what you want  
Is what you need  
If you can see yourself beyond the weed  
Papa bringin on a new breed of emcees  
Ooooh weeeee  
Face it tell me why ex fans be hatin  
The present state of the hip hop nation  
Maybe its your president  
And them corporations  
Is why we in this situation  
Son is dumb  
So double up the drums  
Here the beat go  
Watch em all come  
Damn  
Revolverlution  
The rapsuperman

The rap superman  
Cut off the program  
Raised the whole fam  
Now that sounds hot  
I stop the robots

Children of the gone who the grown forgot  
Lost then found x lovers of hip hop  
Who watched another artform  
Gone to rot  
Beyond the bush I save a lot  
Under the underground  
Sound of hip hop  
Even if this joint gets hot  
You'll still never ever know what I got  
Revolverlution  
Up in this spot  
Now the rubber hits the road  
Broke the motherlode  
Download  
And hear the beat go  
Here the beat go
